

**American  
Red Cross**

November 17, 2010

American Contractor and Technology, Inc.  
218 E. Government St.  
Pensacola FL 32502

Dear Friends,

Thank you for your recent, generous donation of \$100 on 10/26/2010 to the American Red Cross of Northwest Florida.

Because of your deep commitment to our community the Red Cross is able to provide emergency disaster relief and lifesaving health and safety services to people throughout Northwest Florida. Many Red Cross volunteers put their personal lives on hold to respond to local residential fires 24 hours a day; train individuals and businesses in lifesaving skills such as first aid, CPR, or water safety; and be a lifeline between military service members and their families during a family emergency. With your support we can continue to help the families and neighborhoods in our community through these programs and services.

Again, many thanks for your contribution. Your local Red Cross chapter is there when you need us. Thanks for being there when we need you! If you have any questions or would like to learn more about the services that the American Red Cross is committed to our community, please contact me at 850.432.7601.

With gratitude,

Jerry Kindle  
Chief Executive Officer
